PROFILE

MCA student graduating in 2027 with a BCA background and knowledge of Java, Python, PHP, Laravel, Django, and MySQL. Experienced in developing database-driven web applications with practical exposure to business logic, database management, and rule-based AI features. Strong foundation in Object-Oriented Programming, DBMS, and problem-solving, with an interest in software development and enterprise applications.

EDUCATION

Master of Computer Applications (MCA), Santhigiri College of Computer Sciences, Vazhithala, Kerala 2025–2027 — 87%

Bachelor of Computer Applications (BCA), Mar Augusthinose College, Ramapuram, Kerala 2022–2025 — 85%
Relevant Coursework: Java, Python, PHP, Data Structures and Algorithms, MySQL

Higher Secondary Education, St. Thomas H.S.S., Pala 2019–2021 — 82%

SKILLS

Technical Skills	Python, Java, C, C++, HTML, CSS, JavaScript, PHP, Laravel, MySQL, Django, Bootstrap, Git, GitHub
AI/ML	AI/ML Fundamentals, Rule-Based AI
Core Concepts	Object-Oriented Programming, DBMS, Data Structures and Algorithms
Soft Skills	Communication, Willingness to Learn, Active Listening

WORKSHOPS & TRAINING

Cybersecurity and Data Science with AI and ML – Metailearn Oct 2024

- Gained exposure to AI/ML applications in cybersecurity, data science, and threat detection through practical case studies.

PROJECTS

- **AI Expense Tracker – SmartSpendAI** – Developed a personal finance management application using Laravel, PHP, and MySQL to manage income, expenses, budgets, and transactions. Implemented rule-based financial insights, monthly expense comparisons, budget alerts, and expense forecasting using the Simple Moving Average technique.
- **Clinic Appointment System** – Developed a web application using Python and Django for appointment booking, prescription management, and administration of doctors and medicines.
- **Portfolio Website** – Built a responsive personal portfolio using HTML, CSS, and JavaScript to showcase technical skills and projects.

CERTIFICATIONS

- **Responsive Web Design Certification** – freeCodeCamp May 2023
